**CONFIDENTIALITY**

The confidentiality of your personal health information is very important to me. At LifeCare we have a team approach and confidential information may be shared with other providers on our team as necessary to ensure the best quality of care. Your personal information is confidential within the practice. I may use and disclose your personal information without authorization for the following purposes: abuse, neglect, domestic violence, or court order. As required or permitted by law, I may disclose health information about you to a state or federal agency to report suspected abuse to self or others, neglect, domestic violence, or court order. If such a report is optional, I will use my professional judgment in deciding if to make such a report. If feasible, I will inform you promptly that I have made such a disclosure.

If you are dissatisfied with any aspect of the services provided by me, please inform me so that we can address your concerns. If we cannot come to a satisfactory resolution, you may speak further with me or with Maria Lyons, Office Manager. If after doing so you are still dissatisfied, you may contact the NC Board of Nursing, 4516 Lake Boone Trail, Raleigh, NC 27607.

Please see "Notice of Privacy Practices" for more detailed information about confidentiality of service and records.
